FOLIO-3 CD

ABSTRACT

A specially designed and constructed corrugated sleeve for packaging and displaying three (3) compact disc (CDs) which includes a unitary rectangular sheet of 15 point cover stock paper which is folded to form a holder for three (3) CDs. The folded sleeve is thereafter encased in a tightly fitted clear plastic heat sealed bag in such as fashion that the entire package can be opened flat to allow each individual CD to be viewed along with printed media, label copy and information.
